

Happy

Happy

It might seem crazy what I'm 'bout to say.

Sunshine. She's here you can take a break.

I'm a hot air balloon that could go to space.

With the air like I don't care, baby by the way.

Because I'm Happy

Clap along if you feel like a room without a roof

Because I'm Happy

Clap along if you feel like happiness is the truth.

Because I'm Happy

Clap along if you know what happiness is to you

Because I'm Happy

Clap along if you feel like that's what you wanna do

Because I'm happy

Bring me down. Can't nothing

Bring me down . And love is too high

Bring me down. Can't nothing

Bring me down . I said

Cause I'm Happy

Clap along if you feel like a room without a roof

Because I'm Happy

Clap along if you feel like happiness is the truth.

I got you [I feel good]

Solo

Woh. I feel good.

All

I knew that I would now

Solo

I knew that I would now

So good, so good. I got you.

I feel nice . Like sugar and spice

I feel nice . Ah sugar and spice

So nice, so nice, I got you.

Dancing on the ceiling

What is happening here.

Something's going on that's not quite clear.

Somebody turn on the lights

We're gonna have a party, it's starting tonight.

Oh what a feeling, when we're dancing on the ceiling

Oh what a feeling, when we're dancing on the ceiling

Dance with me tonight

Men

My name is Olly nice to meet you can I tell you baby

Look around there's a whole lot of pretty ladies

But none like you you shine so bright, yeah

I was wondering if you and me could spend a minute

On the floor up and close getting lost in it

I won't give up without a fight I just wanna ...oooo...oh baby

I just want you to dance with me tonight.

Raise your glass

Ladies

Right, right turn off the light, we're gonna lose our minds tonight.
What's the dealio ?

I love when it when it's all too much, five a. m turn the radio up

Where's the rock and roll

Party crasher, penny snatcher. Call me up if you want answers

Don't be fancy, just get dancy. Why so serious?

So raise your glass if you are wrong in all the right ways

All my underdogs.

We will never be never be anything but loud and nitty gritty

Get your party on

Won't you come on and come on and raise your glass

Just come on and come on and raise your glass

I gotta Feeling

All

I gotta feeling, that tonight's gonna be a good night ,

That tonight's gonna be a good night, that tonight's gonna be a
good good night.

Ladies

I know that we'll have a ball if we get down and go out

And just lose it all. I feel stressed out I wanna let go.

Let's go way out, spaced out and losing all control

All

I gotta feeling, oooooo. That tonight's gonna be a good night ,

That tonight's gonna be a good night, that tonight's gonna be a
good good night.
