

Our House

Our House

Father wears his Sunday best.

Mother's tired she needs a rest,

The kids are playing up downstairs.

Sister's sighing in her sleep,

Brother's got a date to keep.

He can't hang around.

Our house, in the middle of our street,

Our house, in the middle of our....

Our house it has a crowd.

There's always something happening,

And it's usually quite loud.

Our mum she's so houseproud

Nothing ever slows her down

And a mess is not allowed.

Our house, in the middle of our street

Our house, in the middle of our....

Our house, in the middle of our street

Our house, in the middle of our....

I'm gonna be [500 miles]

When I wake up, well I know I'm gonna be
I'm gonna be the one who wakes up next to you.
When I go out, yeah, I know I'm gonna be,
I'm gonna be the one who goes along with you.
When I come home, oh I know I'm gonna be
I'm gonna be the one who comes back home to you
And if I grow old, well I know I'm gonna be,
I'm gonna be the one who's growing old with you.
But I would walk 500 miles and I would walk 500 more
Just to be the man who walked a thousand miles to fall
down at your door.
Da da da da da da da da da da da da da da da da da
da da la la la

Jump

Your eyes, tell me how you love me
I can feel it in your heart beat
I'm so excited I can feel you getting hotter, Oh baby
I'll take you down, I'll take you down
Where no-ones ever gone before
And if you want more, If you want more, more, more.

Jump, for my love. Jump in, feel my touch
If you wanna taste my kisses in the night
Then Jump for my love.

Video killed the Radio star

I heard you on the wireless back in fifty two.
Lying awake intently tuning in on you.
If I was young it didn't stop you coming through
Oh Oh
They took the credit for your second symphony
Rewritten by machine on new technology.
And now I understand the problems you can see.
Oh oh I met your children
Oh oh What did you tell them
Video killed the radio star. Video killed the radio star
Pictures came and broke your heart. Oh uh uh oh

Radio Gaga

All we hear is radio gaga, radio goo goo, radio gaga
All we hear is radio gaga, radio blah blah,
Radio what's new? Radio someone still loves you.

Eye of the Tiger

Risin' up, back on the street, did my time took my chances.

Went the distance now I'm back on my feet,

Just a man and his will to survive.

It's the eye of the tiger, it's the thrill of the fight,

Risin' up to the challenge of our rival.

And the last known survivor stalks his prey in the night

And he's watching us all with the eye of the tiger.

We will rock you

Buddy, you're a boy, make a big noise playin' in the street, gonna be a big man someday.

You got mud on your face, you big disgrace,

Kickin' your can all over the place, singin'

We will we will rock you. We will we will rock you
