

Rock and Roll

Well it's a one for the money, two for the show

Three to get ready now, go cat go but don't you

Step on my blue suede shoes.

Well you can do anything, but stay off a my blue suede shoes.

Spoken Let's go cat

You can knock me down, step on my face

Slander my name all over the place

We'll do anything that you want to do

But uh uh honey, lay off my shoes

And don't you, step on my blue suede shoes

Well you can do anything but lay off my blue suede shoes.

Rip it up

Well it's Saturday night and I just got paid

Fool about my money, don't try to save

My heart says go go , have a time

Cause it's Saturday night and I feel fine

I'm gonna rip it up, I'm gonna rock it up.

I'm gonna shake it up. I'm gonna ball it up

I'm gonna rip it up and ball tonight.

Weekend

Ladies

La la la la la la la La la la la la la la

Men

Friday night and everything's right for the weekend

La la la la la la la

Crazy clothes and anything goes on the weekend

La la la la la la la

John called Ann and Jim got Sue

And I made a date with little old you

Off we went to make a big dent on the weekend

La la la la la la la La la la la la la la

There we were just sitting cool and cosy

Just about to steal a little kiss

The police with a flashlight bright and nosy

Said' Holy Mackerel, there , what is all this?'

No harm done, just havin' some fun on the weekend

La la la la la la la

That was all we had a big ball on the weekend

La la la la la la la La la la la la la la

Roll over Beethoven

Well, I'm a write a little letter, Gonna mail it to my local DJ
Yes , It's a jumping little record, I want my jockey to play
Roll over Beethoven, I gotta hear it again today
You know my temperature's rising, the jukebox's blowing a fuse
My heart's beating rhythm, and my soul keeps singing the blues
Roll over Beethoven, and tell Tchaikovsky the news.
Well if you feel you like it, go get your lover .
Then reel and rock it, roll it over, then move on up just a trifle
further,
Then reel and rock with one another
Roll over Beethoven. Dig these rhythm and blues

That'll be the Day

Well, that'll be the day, when you say goodbye
Yes, that'll be the day, when you make me cry
Oh you say you're gonna leave, you know it's a lie
'Cause that'll be the day when I die

Well, you give me all your loving and your turtle doving
All your hugs and kisses and your money too
Well, you know you love me baby, still you tell me, maybe
That some day, well I'll be through

Well, that'll be the day, when you say goodbye
Yes, that'll be the day, when you make me cry

Oh you say you're gonna leave, you know it's a lie
'Cause that'll be the day when I die

Blue Moon

Blue Moon. You saw me standing alone
Without a dream in my heart. Without a love of my own
And then there suddenly appeared before me
The only one my arms could ever hold
I heard somebody whisper , please adore me
But when I looked , the moon had turned to gold
Woaaaa..... Blue Moon. Now I'm no longer alone
Without a dream in my heart, Without a love of my own
Wa wa wa wa.
