Dancing Fool

Solo Jacque

When I hear a band blowing Basie [**All** wow wow]

I can count on losing my cool [shoo be doo be doo wa]

Take me where the rhythm is racy [wow wow]

Let me be a dancing fool

Some prefer the cafe Europa [Europa]

Sipping Dubonet on a stool [very cool]

Me I get my kicks at the Copa [Copa]

That's where I'm a dancing fool

I'll show you some moves smooth as satin

And others they don't teach in school [now you're talking]

When that crooner starts into scattin'[do ba do ba do ba do]

Just give me a chance and my tuxedo pants and presto
I'm a dancing fool

Dance break

Men

When those trumpets blare man, I ain't got no care man

I'm like Fred Astaire man. Cool

All

Just give me a chance and,

My tuxedo pants and presto. I'm a dancing fool

I'm a dancing fool yeah !

Perhaps perhaps perhaps

Solo Debs

You won't admit you love me and so how am I ever to know

You always tell me perhaps, perhaps perhaps

A million times I've asked you and then I ask you over again

You only answer perhaps, perhaps, perhaps.

If you can't make your mind up, we'll never get started

And I don't want to wind up, being parted, broken hearted

So , if you really love me, say yes, but if you don't dear confess.

And please don't tell me. Perhaps, perhaps, perhaps.

Night on the town

Let's go steppin' steppin' out

All done up for steppin' out. Make up , gloves and gown

Cares are gone when I put on my favourite satin
Cause you put back the man in Manhattan
Let's go steppin' steppin' out, what a town for steppin'
out.

East west up and down
Let's live dangerously and not get home till seven
From our heavenly night on the town

Despacito

Solo Lee

Come on over in my direction, so thankful for that
It's such a blessing yeah. Turn every situation into
heaven yeah.

You are my sunrise on the darkest day
Got me feelin' some kind of way
Make me wanna savour every moment slowly.
You fit me tailor made love how you put it on
Got the only key know how to turn it on
The way you whisper in my ear, the only words I wanna
hear. Baby take it slow so we can last long!

Solo Max

Wanna see you dance and we can feel the beat

Hold me close together we will move our feet
Turn it up and kiss me on the beach so slowly. Oh yeah.
I wanna see you dance and we can feel the beat
Hold me close together we will move our feet
Turn it up and kiss me on the beach so slowly

All

Despacito, this is how we do it down in Puerto Rico
I just wanna hear you screaming Ay benito
I can move forever to this Latin beat oh
Despacito, this is how we do it down in Puerto Rico
I just wanna hear you screaming Ay benito
I can move forever to this Latin beat oh
All my senses ask for more I saw the look in your eyes
I can see you feel the rhythm, only wanna dance with
you now
Despacito, this is how we do it down in Puerto Rico
I just wanna hear you screaming Ay benito
I can move forever to this Latin beat oh

Copacabana

All

Her name was Lola, she was a show girl.

With yellow feathers in her hair and a dress cut down to there.

She would merengue and do the cha cha and while she tried to be a star, Tony always tended bar.

Across the crowded floor, they worked from 8 to 4

They were young and they had each other, who could ask for more

At the Copa Copacabana, the hottest spot north of Havana. At the Copa Copacabana music and passion were always the fashion at the Copa.

They fell in love. Copa Copacabana

His name was Rico, he wore a diamond

He was escorted to his chair, he saw Lola standing there

And when she finished, he called her over

But Rico went a bit too far, Tony sailed across the bar

And then the punched flew and chairs were smashed in two.

There was blood and a single gunshot, but just who shot who

At the Copa Copacabana, the hottest spot north of Havana. At the Copa Copacabana music and passion were always the fashion at the Copa.

Well I'm a dancing fool.

I'll be a dancing fool

Yes I'm a dancing fool

I'm a dancing fool Yeah!
