Your song

Max solo

My gift is my song. And this one's for you

All

It's a little bit funny, this feeling inside
I'm not one of those who can easily hide
I don't have much money, but , boy if I did
I'd buy a big house where we both could live
And you can tell everybody, this is your song
It may be quite simple but now that it's done
I hope you don't mind, I hope you don't mind
That I put down in words
How wonderful life is, now you're in the world.

Rewrite the stars

All

You know I want you, it's not a secret I try to hide
You know you want me, so don't keep saying our hands
are tied.
You claim it's not in the cards
And fate is pulling you miles away and out of reach from
me
But you're here in my heart so who can stop me if I
decide that you're my destiny.

What if we rewrite the stars, say you were made to be mine.

Nothing could keep us apart. You'd be the one I was meant to find

It's up to you and it's up to me

No one can say what we get to be

So why don't we rewrite the stars

Maybe the world could be ours tonight

The Greatest Show

All

Whoah

Ken

Ladies and gents this is the moment you've waited for

All

Whoah

Ken

You've been searching in the dark, your sweat soaking through the floor

All

Whoah

Ken

And buried in your bones is an ache that you can't
ignore, takin' your breath, stealin' your mind and all that
was real is left behind

All

It's fire it's freedom, it's floodin' open

It's the preacher in the pulpit and your blind devotion

There's somethin' breakin' at the brick of every wall
that's holdin' all you know

So tell me do you wanna go, where it's covered in all the
coloured lights

Where the runaways are running the night, Impossible
comes true, it's taking over you.

Oh. This is the greatest show

We light it up we won't come down

And the sun can't stop us now

Watchin' it come true, it's taking over you

Oh This is the greatest

Whoa. Colossal we come, these renegades in the ring

Whoa. Where the lost get found and we crown them the
circus kings

Don't fight it, it's coming for you, runnin' at you

It's only this moment, don't care what comes after
It's blindin' outshinin' anything that you know
Just surrender cause you're comin' and you wanna go.
Where it's covered in all the coloured lights
Where the runaways are running the night, Impossible
comes true, it's taking over you.
Oh. This is the greatest show
We light it up we won't come down
And the sun can't stop us now
Watchin' it come true, it's taking over you
Oh This is the greatest show
Oh This is the greatest show
Oh This is the greatest show
Oh This is the greatest show
