This Old Heart of Mine

All

This old heart of mine, been broke a thousand times.

Each time you break away, I fear you've gone to stay.

Lonely nights that come, memories that flow, bringing you back
again, hurting me more and more

May- be it's my mistake to show this love I feel inside;

Cause each day that passes by, you got me never knowing if I'm
coming or going

But I, I love you - - - This old heart, darling is weak for you

I love you - - - yes I do

STREET LIFE

Ladies

I play the street life, because there's no place I can go

Street life, it's the only life I know

Street life, and there's a thousand parts to play

Street life, until you play you're life away

You let the people see, just who you want to be, and every night you shine, just like a superstar

If you keep it young, your song is always sung, your love will pay your way, beneath the silver moon

Street life - - Street life - - Street life - - Street life

SOUL MAN

Men

Comin to you, on a dusty road, good lovin, I got a truck load,
